

Thank you for showing an interest in working for EMCF. We are always on the look-out for outstanding people to join our highly competitive clearing operations. We provide central counterparty clearing services for the rapidly growing Multilateral Trading Facility (MTF) market and selected stock exchanges, averaging clearing volumes of 3.5 million transactions per day.

Whether you are a bright graduate looking to take your first steps into the clearing industry, or a skilled practitioner in CCP services, we would like to hear from you. Please send your CV to:
